No. 5259

Bangalore 21st October 1887.

From.

C. G. Plummer Esquire
Chief Judge of Mysore.

To

The Dewan to His Highness
The Maha Rajah of Mysore.
Sir,

I have the honor to forward for the con-
-sideration and orders of Government, the ac-
-companying Proposition Statement for an increase
to the establishments of the Subordinate Judges
Courts at Bangalore and Mysore.

The Sub Judge of Bangalore has, in his
letter No. 260 dated 5th April 1887 (copy herewith
forwarded) strongly recommended an increase to
his establishment, as he considers that the pre-
-sent establishment is inadequate for the work
that has to be gone through, and it has been
ascertained that the same is the case with the
establishment of the Sub Judge of Mysore. My
colleagues and myself have carefully considered
the question with reference to the establish-
-ment which had been kept up and the work

which had been done in the late Judicial Office
 = tanté Courts of this Province, and also with
 reference to the work and the establishments,
 of the Sub Judges' Courts in the Madras Presi-
 = dency, and we are unanimously of opinion that
 a small increase to the establishments of the
 Sub Judges' Courts at Bangalore and Mysore is
 really called for. I have therefore the honor
 to recommend the entertainment of a Clerk on
 Rspees 20 and a Munshi on Rspees 15 in each
 of the Courts, and the increase of the pay
 of the Sheristadar of each Court from Rs.
 - Rspees 30 to Rspees 60 per mensem, in consi-
 - deration of the heavy and responsible work
 devolving upon that Officer.

I have the honor to be,
 Sir,

Yours most obed^t serv^t;

 Chief Judge

No. 260.

From the Subordinate Judge, Bangalore.

To The Registrar of the Chief Court.
Bangalore.

Bangalore 5th April 1887.
Sir.

I have the honor to solicit the attention of the Judges of the Chief Court to the correspondence ending with your No. $\frac{3891}{2876}$ dated 6th August 1886, and to request that, as the revision of the Munsiff's Courts as an establishment has now been sanctioned, some steps may be taken for affording relief to the overworked Establishment of this Court.

2. The Scale submitted by me for sanction in 1884 was merely tentative and was not framed with a view to meet the heavy & miscellaneous work devolving on this Court by reason of the abolition of one Munsiff's Court. The former Sub Judge's Court at Bangalore had really less work than I now have to get through, and yet maintained a much larger establishment at one third extra cost, as will be seen from the subjoined comparative Schedule.

No. 75 dated
5th July 1884

Schedules.

	Former Est- Judges' Court			Present ^{court} Es- tablishment		
1 Sheristadar	70	"	"	50	"	"

1 Scavenger	"	"	"	3	"	"
Total Rs	430	"	"	299	"	"

3. I find now that I cannot properly get on without a Clerk to keep the Diary and conduct the English and Canarese cor-
-respondence and Registers connected therewith.
Two fumastaks are also urgently required to help in the Regular and Execution work,

which is steadily increasing year by year, as the following statement will show.

	1885	1886	1 st Quarter of 1887
Regular & Small cases	1886	2404	704
Exemption Cases	2156	2858	786
Miscellaneous Cases	683	1016	327

H. Considering the responsibility resting upon the Sheristadar of the Court, and the large amount of work he has to supervise, I trust the Judges of the Chief Court will agree with me in thinking that the pay drawn by him is scarcely commensurate with the position and labor of the post, and I would respectfully suggest that his salary should be raised to Rupees 60 per mensem.

My recommendations may be summed up as follows: -

Sheristadars pay to be increased from Rs 30 to 60 per month.

Extra Establishment required.

- 1 English and Vernacular clerks on Rs 25⁻ per mensem
- 2 Goormashdars on Rs 15⁻ each per mensem; Rs 30

Involving a total cost of Rupees 65
per month or Rs. 780 per annum, which
small increase I venture to hope, may be
sanctioned, in order to keep the Court
in efficient working order.

I have &c
